Says the St. Louis. (Mo.) "Democras." Below. we publish a letter to Dr. Wood, of this e.iv. from a genticanan in Maine, which speaks glowings, of the superior merits of his hair tonic. Barn, Maine, Jan. 20, 1850.

Prafessor O. J. Wood & Co.:

Gentlemen: Having my attention called a few months since to the highly beneficial effects of your hair restorative, I was induced to make application off it upon my own hair, which had become quite gray, probably one-third white; my whiskers were of the same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, bottle on my head and face, and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-rive years. I am now sixty years old; my good wife at soft and glossy than it has been before for twenty-live years. I am now sixty years old; my good wife at the age of fifty two, has used it with same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, as per directions, will not have occasion to contradict my statements. I am a critizen of this sliy and a resident here for the last fifteen years, and am known to nearly every one here and adjoining towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am, truly, yours,

Dr. C. W. I was for years allieted with that banc of all comfort, and efficiency in business, dysoposta. To recapitulate all the so-called remedies which I have used to rid myself of this disease, would indeed make a melancholy catalogue. Islso consulted with the best physicians I could bear of. I now feel better in every respect than I have for ten years.

Da. C. W. Robres—Dear Sir: 1 have used your Blood Parifler for a nervous affection, from which I have suffered much at times. While it is pleasant to the taste, it certainly has a happy effect upon the nerves. Please accept my thanks for your kind regards and acts, and believe me. Yours.

Linch Parifler for Dear Sir: Having been afflicted with neuralgia or rheumatism for the past your and a half, and having seen your medicine, called the Scandinavian Blood Purifier, highly recommended by gentlemen with whom I am acquainted, I was induced to try it, but not before I had used various other medicines.
